

Morgan Hart Bio

Memo for Sec. Purdue

My name is Morgan Hart I am the son of Mr. and Mrs. David Hart of Moultrie Georgia. I attended and graduated from Colquitt County High school where I was heavily involved in the local FFA chapter later serving as a State FFA officer in 2016-2017. After graduation I attend Abraham Baldwin Agricultural College receiving an Associate's degree in Science. After graduation from ABAC I transferred and am currently enrolled in school at the University of Georgia where I am studying Agriculture Education. At UGA I am involved in UGA FFA Alumina, UGA Block and Bridle, and UGA Young Farmers and Ranchers. I currently attend Watkinsville Baptist Church in Watkinsville Georgia

My future plans are to return to Washington D.C with the hopes of working as legislative staffer focusing on agriculture and rural issues. My long-term goal is to become Executive Secretary for Georgia FFA or the Chief of Staff for a member of Congress with a concentration toward using my skills, education, and experience to work closely with the agricultural community, and the agriculture industry across the state to promote Georgia agriculture locally and nationally.
