

## Kaitlyn Hart Bio

My name is Kaitlyn Hart and I am a graduated from Colquitt County High School in Moultrie, GA. Throughout my high school years I was heavily involved in my local FFA chapter which lead me to discover my passion for the agriculture industry. I am currently a second-year student attending the University of Georgia where I am pursuing a double major in Hospitality and Food Industry Management and Housing Management and Policy as well as earning a certificate in the Entrepreneurship Program. During my time at UGA I have been involved in UGA Young Farmers & Ranchers, Baptist College Ministries, Shop With a Bulldawg and Greek Life. I currently attend Beech Haven Baptist Church in Athens, GA where I volunteer in the college and children's ministry.

My future plans are either to work in the agritourism hospitality industry or rural development in my local community. My long-term goal is to continue to expand my own floral design business, *Kait's Blossoms* into a florist and event planning business. I want to use my skills and talents to serve and design for local and agricultural events around the state.

Currently I am working on expanding my business in the Athens, GA community by designing floral arrangements for various occasions, events and weddings.
