

Hi, I am Wyatt Hodge. I am from Slidell, Louisiana in St. Tammany parish. I am interested in learning more about running a family business. I am a third generation to my family's fireworks business. In high school I raised and sold quail eggs on a small scale. In addition, my family has a ranch in Childress, Texas where they run a hundred head of angus cattle and raise a hundred acres of cotton. I am always ready to go hunting or fishing. I also enjoy breeding and raising fish for a hobby.
